Jan 01, · I love the quote that academic discourse is a dead language for most people and no one's mother tongue (8) and there are some other lovely bits as well. Teaching is at its Kind of sobering to realize that while we teach to an ideal student (who somehow understands everything we do), our classes are full of actual students (who definitely do not)/5.

Drawing on empirical research and developing a distinctive theoretical perspective, Bourdieu and his associates argue that academic discourse is a medium of communication that both expresses and reproduces a relation of pedagogical power and respect.
